## PERSONAL STATEMENT

---

Seeking a challenging position in the area of Web Designing In a Professional Organization, where my skills and my education background can add value to the growth of the organization and allow development of my skills to organization potential in the field.

Although I love designing web sites I feel that it is crucial to have experience of the 'back end' as well as the 'front end' which is why I have elected to apply for the BCA, as I believe this will ensure I become a better all-round web designer.
